LUCTRA® TABLE LITE 921401

LED table lamp with biologically effective light and innovative gesture control

- Supports the individual daily rhythm and the body clock with optimal colour temperature and intensity of light
- Realistic imitation of daylight for healthy hormone production and mental well-being
- Intuitive three-dimensional gesture control for adjustment of light intensity and light colour
- Homogeneous illumination of the workspace
- Realistic colour reproduction and contrast due to tightly tolerated binnings
- Universal USB-C connection for powering the luminaire via a laptop or an external battery
